## LUNCHEON

### Thursday, May 8<sup>th</sup> Luncheon

Join us for Griff King, a representative from Dollar Bank, will be presenting on check/payment fraud.

Dollar Bank Brooklyn Branch, located at 4730 Ridge Road.

Networking and registration begin at 11:30am and lunch will be served at 12noon.

## PRESIDENT'S MESSAGE

What a beautiful time of year! The birds are chirping, warmer days and comfortable nights. People in general have a little pep in their step and are in a genuine good mood... why? Well it must be because of the spring weather, we no longer have to wear bulky overcoats, hats or gloves, and it's t-shirt and shorts time. Let's enjoy this great time of year!

The next two months bring two very special occasions; they are Mother's Day and Father's Day. Remember to show your appreciation to your moms, dads, grandmas & grandpas because no one in the world is quite like them. Our parents are the first leaders we dealt with and in many cases, they are our inspiration. Men and women who lead are quite extraordinary; they have their priorities in line. Whether they are a futurist, optimist or industrialist, each has a skill, talent or drive that separates us from the rest. "Success is not final, failure is not fatal: it is the courage to continue that counts."

The Brooklyn Chamber is in full swing in 2014, we have added numerous new members, have had excellent speakers at our luncheons, and a board of directors that is immersed in making the chamber a success. In March, LaVilla Conference & Banquet Center hosted our monthly luncheon; the speaker was from the Office of Emergency Management/Cuyahoga County Public Safety. He had a very interesting presentation on disaster and emergency preparedness and provided different programs to assist businesses with preparedness procedures. In April, the Brooklyn Fire House hosted our luncheon. Our speaker informed us on waste and effective methods of recycling for your business. I would like to thank the hosts and speakers for their hospitality and presentations and for the support of the Brooklyn Chamber of Commerce.

The Brooklyn Chamber of Commerce continues to stay busy. On May 8<sup>th</sup>, our luncheon will focus on check and payment fraud. A speaker from Dollar Bank will speak on the topic. And on May 14<sup>th</sup> the Chamber will jointly be hosting an after hours event with Dollar Bank. Both of May's events are being held at Dollar Bank in Ridge Park Square. In June we will have the State of the Schools address. Also in June we will be having our joint golf outing, teaming up with the Brook Park and Middleburg Hts. Chambers. It's not too early to look forward to our annual Picnic in the Park! This event will be held on August 16th at Veterans Memorial Park. I hope to see you at our upcoming events!

As we enjoy this beautiful time of year I encourage you to get involved and invite new members to join the chamber. I'll leave you with this, "Help one another; there's no time like the present and no present like the time"

David Hill-Dollar Bank  
Chamber President

# Teachers Awarded \$500!

The Brooklyn Chamber of Commerce offered a \$500 grant opportunity for any teacher in the Brooklyn City School District this spring. The 2013-2014 Educator Grant was a testimony to the fact that the Brooklyn Chamber understands the financial constraints of many in the educational field and chose to offer an avenue of financial support for a teacher or a group of teachers. The teachers were required to write a lesson idea which outlined a need, a purpose, a solution, and a product which would enable their students to value a project-based unit of instruction with real-life application. In 1,000 words or less the teachers described an idea with details, how it corresponded to the State Standards, the needed resources and how it provided an authentic learning experience.

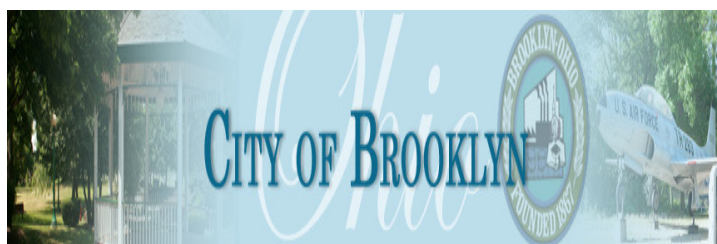

This year we were lucky to have two sets of winners. As the first recipient, Wendy Smith, our Media Specialist and Tech Coach along with the second grade teachers identified the five indicators in the second grade that deal with the field of economics. Students will be studying a business creation, making a product (lemonade) while utilizing technology and literature. Eventually the students will participate in a classroom project blending school work and positive behaviors. Our second recipient, the AVID (Achievement via Individual Determination) teachers wrote a grant to provide transportation for the enrolled students to have an authentic college visitation experience while planning for their futures. The Brooklyn City School District appreciates the generosity and understanding of the Chamber and thanks its members for their continued support of the City of Brooklyn.

## Brooklyn Fire Scores Big Nationally

The City of Brooklyn's Fire Department scores HIGH in their ISO certification. We are proud of our department and its accomplishments through this process. ISO collects and evaluates information from communities in the United States on their structure fire suppression capabilities, and is classified under the Public Protection Classification program. Our Fire Department received a #2 classification – which puts our Fire Department in the TOP 2% of the fire departments nationwide. There are 49,020 total fire departments in the United States. This certification is a true benefit to our business community as insurance companies use the Public Protection Classification program information for marketing, underwriting, and to help establish fair premiums for homeowners and commercial fire insurance. Fire insurance in a community with a good PPC is substantially lower than in a community with a poor PPC rating. See report on City of Brooklyn's Website: [www.brooklynohio.gov](http://www.brooklynohio.gov)

# Mastering ChamberMaster

## ***Sponsor Local Youth Programs***

The Brooklyn Recreation Center is in need of corporate sponsors for their youth sports program. The Chamber of Commerce would like to be the first ones up to the bat in sponsoring a youth program. We would like to encourage all Chamber members to support the youth sports programs in the City of Brooklyn.

As a member, you are entitled to a discount on the sponsorship fee. The fee for this year is \$200. **The Chamber will pay for \$30 of your sponsorship fee, which means you will only owe \$170.** Your company name, along with the Chamber's initials, will appear on the back of the teams' shirts. It is a great way to promote your business.

This year, you have the option of sponsoring several different youth programs: day camp (deadline 5-15-14), or fall soccer (deadline 7-1-14). A copy of the flyer/sponsorship form that the Recreation Center sends out to local businesses for more information has been included in this newsletter. Make sure you review the deadline date for your desired sponsorship program. If you have already sent in your form and paid the total \$200, you are still eligible for the \$30 discount. Be sure to email me if this is the case, so I can send your discount check directly to you.

**Please note on your form that you are a Brooklyn Chamber of Commerce member.** Make checks payable to "Brooklyn Recreation Center" and mail forms & payment to the following:

Maria McGinty  
c/o Brooklyn Recreation Center  
7600 Memphis Ave  
Brooklyn, OH 44144

Thank you in advance for your support!!

## Take Notice

To our business partners; some time ago the City adopted an ordinance requiring the use of photoelectric smoke detectors in all new construction, and the replacement of Ionization detectors with photoelectric detectors (in all structures) either as the existing detector needs replaced, or within 8 years (whichever comes first). Photoelectric detectors give tens of minutes earlier warning of a fire (verses the ionization type). This gives persons the ability to get out alive. Please go to the following website for further information.

<http://photoelectricsaves.com/>

Thank you, Chief Zemek, City of Brooklyn, Division of Fire

# Worker Compensation Changes

Starting April 28, 2014, **Managed Care Open Enrollment begins**. Open enrollment gives all state-fund employers (with an active workers' compensation policy) an opportunity to choose a managed care organization (MCO) to help manage the medical portion of their workers' compensation claims. A strong MCO-employer partnership also helps injured workers receive the treatment they need to get back to work as safely and quickly as possible.

## **What you should look for in a managed care organization**

There is no out-of-pocket expense to select an MCO; however, enrollment is limited to once every two years for one month only. This makes your decision extremely important.

✦ Look at the BWC report card and identify the MCO that scores high on the MoD Days Absent Measurement. This measure indicates how quickly the MCO returns the injured worker back to the job. The higher the score, the more effective the MCO performs in timeliness based on statewide averages. The quicker the return-to-work, the more likely you will save on premium.

✦ Consider the size of the MCO. Are you comfortable with a large organization or would you prefer a mid-sized MCO? Benefits 1 Group prides itself on our ability to serve each client as if they are our only client. As a mid-sized TPA, we have the resources to work one-on-one and provide a team to each client; however, we are agile enough to tailor our services to meet each clients' needs. You should seek this out in an MCO as well.

## **Group Retrospective rating enrollment closes at the end of April**

### **How this program works:**

Employers continue to pay their own individual premiums and have the opportunity to receive retrospective premium adjustments based upon the combined performance of the group. Depending on that performance, the participating employers can receive either a premium refund or assessment. This plan provides incentives to the group retro members to control and reduce losses. So, those members who control losses have the potential to see lower premiums. Some of your clients may have received offers for this program. If the employer has enrolled in traditional group experience rating, he or she cannot enroll in group retro. We apologize for any confusion this may have caused, and will let the employers know if they have received both offers. However, this is a good option for employers who don't qualify for group rating, so please let us know if any you are considering this option.

**Ohio BWC Program deadline changes** have been approved by the board. The deadlines were moved up in preparation for the system to start billing prospectively. Here is a link to the BWC's memo: [Modernizing BWC](#). The program deadlines for the rest of calendar year 2014 are now:

July 1, 2015 Group Experience Rating:  
11/24/2014 (the rule states the Monday preceding the fourth Thursday in November)

- ✦ Deductible Program: 1/30/2015
- ✦ Group Retrospective Rating: 1/30/2015
- ✦ One Claim Program: 1/30/2015
- ✦ Retrospective Rating: 1/30/2015
- ✦ Transitional Work Program: 5/29/2015
- ✦ Drug-Free Safety Program: 5/29/2015

## "Camp Discovery" Provides Fun, Interactive Sneak Peek into Polaris

Summer is just around the corner and, once again, it's time to explore Polaris at *Camp Discovery*. Each summer, *Camp Discovery@Polaris* gives students entering the 7<sup>th</sup>, 8<sup>th</sup>, 9<sup>th</sup>, and 10<sup>th</sup> grades a chance to experience what Polaris is all about in a fun, hands-on environment. Classes will run June 9-13 and will feature morning (9:00 to 11:00 a.m.) and afternoon (11:30 a.m. to 1:30 p.m.) sessions at a cost of \$60 per student, including all supplies.

Tuition for students who enroll in both a morning and afternoon class costs \$120 and includes FREE lunch each day. Popular classes fill up quickly, so interested students are encouraged to enroll as soon as possible.

The 2014 *Camp Discovery* lineup includes: Anatomy Academy; Babysitter Boot Camp; Camp Bio-Med; Cleared for Takeoff; Crime Scene Investigators; Jewelry Junction; Jolt! ... It's Electric!; Kitchen Creations; Medical Innovation Zone; Mini Makeover; Polaris Mini Police Academy; Robotics - Build, Program & Discover; Start Your Engines; and Tool Time.

Don't worry parents. We didn't leave you out this year. You're invited to attend **Parent Day** on Friday, June 13th. Join us for lunch and stay for class!

Relay For Life is the signature event of the American Cancer Society. This event is the world's largest movement dedicated to fighting cancer. Relay For Life is community focused and held in over 2,500 towns across the United States. In 2013 alone, Relay For Life raised more than 400 million life-saving dollars. If you have ever been to a Relay For Life event, you know what a powerful event it is, and how it brings our community together.

Here in our community, Relay For Life of Brooklyn is celebrating its 12<sup>th</sup> year. 2013 was a successful year for our event. We raised \$49,953 in the fight against cancer. We could not have been successful without the commitment and contributions provided by our Relay For Life teams, sponsors, entertainers and committee members!

As a Chamber of Commerce member, Relay for Life is an ideal opportunity to support a tremendous cause, and to make a significant difference in our community. Please consider supporting this year's Relay for Life by forming a team or becoming a sponsor for this well-attended event.

### **Your support is helping your American Cancer Society in the following ways:**

- The American Cancer Society nationally funds over \$120 million annually for research
- Over \$6 million in research grants are currently being funded in the Cleveland area alone
  - 47 American Cancer Society researchers have gone on to win the Nobel Prize
- The Society provides information, day –to–day help, and emotional support to people with cancer and their families.

***Please help us create another successful event in Brooklyn this year!***
