

OUTGOING PRESIDENT'S MESSAGE

As I finish my tenure as our Chamber President, I'd like to thank...Everyone! The past two years have been very rewarding. We have accomplished so much; I was very fortunate to have the opportunity to work with such great and accomplished individuals who helped to support me and gave me excellent advice. I consider it an honor and a privilege to represent this great organization.

First and foremost, I am very appreciative of the Chamber Officers; thank you to David Nodge for serving as Vice President, David was always so supportive and extremely knowledgeable on a vast array of subjects; Treasurer, Chris Ellis, for the thorough reports on the financials, along with your ability to help keep the Chamber solvent and in strong financial position going into the future. Of course, a big Thank You goes to Valerie Thompson; she is the grease, oil, and the wheels that keep the Chamber moving. I am so appreciative of your hard work, organizational skills and attention to detail. Thank you to all the officers.

Thank you to all the Board members. There are so many knowledgeable, enthusiastic, hard working individuals that sit on the Board of Directors to help support the Brooklyn Chamber of Commerce. There are so many talented individuals that bring energy and excitement that is contagious to all. "Positivity breeds positivity." It truly was a pleasure to get to know all of you, and I feel very, very confident there are many "stars" that will carry on the leadership needed to help the Chamber continue to progress.

As I pass the gavel to my successor, I am leaving the presidency in the hands of an excellent leader and an intelligent individual. Last year's Treasurer, Chris Ellis from Hampton Inn, began his term as President on January 1, 2015. Since Chris has become a Board member, he has been highly active, supportive and involved in all the Chamber's activities. Chris has a strong, yet calm demeanor about him, and has natural leadership skills. David Nodge as Vice President and Jeff Suhay as Treasurer bring knowledge, skills and a willingness to help support and make the Chamber a stronger organization.

The Chamber works because these people worked; they are working now, and will continue to work. Each member that sits on the Chamber's Board of Directors donates their time, each individual believes in the Chamber and its purpose. I've grown to admire all of the individuals that I have come into contact with since being involved with the Chamber. Once again, Thank you! It has truly been a pleasure to serve as The Brooklyn Chamber of Commerce President!!!

INCOMING PRESIDENT'S MESSAGE

I first would like to thank our outgoing president David Hill from Dollar Bank. Over the past two years under his leadership, the Chamber has grown in membership revenues and overall success!!! David ran and organized the Board meetings with great professionalism and our annual events were always a huge success. Again, thank you David for a job well done!!!

I am extremely excited for the opportunity to become Board President for the Brooklyn Chamber of Commerce. I was elected to the Board in January of 2012 and became Treasurer in 2013. Over the last two years as your Board Treasurer, I have overseen both the budgeting and overall income and expenses of the Chamber. I have worked very closely with our Executive Director, Valerie Thompson, in this role. I am confident that along with her and the rest of the Board of Directors, we will continue to grow and prosper in 2015.

We have many exciting events and luncheons coming up this year. Taste of Brooklyn will kick it off and is always a great time and success. We have our Annual Golf Outing in June and we end the summer with our Picnic in the Park event. This event will be entering its 3rd year and has been growing every summer.

Again, thank you for the opportunity and I look forward to seeing you all at our events and luncheons this year!!!

Happy New Year!

2014 Brooklyn Cares Holiday Program A Success!

The Brooklyn City Schools developed a program to help Brooklyn families in need during the holiday season. This program, called Brooklyn Cares, was organized by teachers Suzy Marquis and Hayley Toerek several years ago. The Brooklyn City School District vision is that the community of the Brooklyn City Schools, through collaborative efforts, will be a dynamic learning environment in which all students will maximize their intellect, as well as their physical, social, and emotional well-being. Everyone in the Brooklyn City Schools will be respected, acknowledge differences, have a sense of safety, belonging, and pride in their respective learning environments. The Brooklyn Cares program helped to foster this vision.

Brooklyn Cares was able to assist 58 families with a total number of 120 children this holiday season! Suzy Marquis would like to thank Brooklyn City schools, community members, Brooklyn City and Brooklyn businesses. The night that gifts are passed out, there are many tears of thankfulness. The following is a list Brooklyn Chamber of Commerce members that so generously donated. Many employees from these companies also adopted families on their own. It truly shows how a community comes together.

Chris Ellis, current Chamber President, and David Nodge, Chamber Vice President, were in attendance to present David with a plaque and gift certificate. The Chamber was very successful during David's Presidency and we thank him for all of his hard work!

U.S. Shuai Chiao Kung Fu Academy News

Sponsor a student...

For the past year the U.S. Shuai Chiao Kung Fu Academy has had the privilege of teaching some of the city's kids through a local counseling program. This program allows the kids to choose an extra curricular activity to help them cope with whatever they are seeing the counselor for and in our case we have 6 kids that chose Martial Arts. The program takes care of our services for the kids to train at our school however they do not provide any monetary supplements to the families that would allow the students to participate in any of our "additional activities".

The U.S. Shuai Chiao Kung Fu Academy is constantly providing activities throughout the year for kids to get involved more with our school and our community. Some of the extra activities include sleepovers, snow tubing, movie nights, game nights, sky zone and so much more! The reason for my reaching out to you is this; Through this counseling program we have 6 students that are unable for monetary reasons to participate in these extra activities that we offer. I would love to just let these kids participate but for fear of showing favoritism I am unable to do that. I am looking for businesses in the area that would be willing to "sponsor" these kids or add to a "scholarship fund" that would go towards the kids costs to participate in our outside activities.

If you are interested in getting further information about the 6 students I would be happy to tell you their background and how they are doing with the training at our school. They all do a great job with our program and really enjoy themselves here. They are a joy to have in class and we would love to give them the opportunity to be able to participate in the extras. I'm looking forward to hearing from you soon.

Best,

New Year's sleepover a success!

For the first time ever, the U.S. Shuai Chiao Kung Fu Academy hosted a New Year's Eve Sleepover for their students and children of the community. They would like to send out a HUGE thank you to a few local business that donated proceeds to make this event a great success. Ridge Park Square, AMC Theaters, and Sam's Club all donated to the sleepover and without their help it wouldn't have been nearly as successful! Thank you for helping us invest in the youth of the Brooklyn community. With out your support all of this wouldn't be possible! - Jessica M. Cliff - Program Director

Polaris Identifies Critical Facility Needs

Earlier this year the Ohio School Construction Commission helped us identify \$30 million in vital infrastructure repairs that need to be made to bring Polaris up to state minimum standards.

While we continue to serve near record numbers of students, our near 40 year old facility is beginning to show signs of wear. As our facilities and labs continue to age, it will become increasingly difficult to meet employer demands and attract students into productive careers. The following is a partial list of critical upgrades that will help us meet state facility standards and mandates:

\$12.5 million to repair our **HVAC, roofing, electrical, and plumbing** systems

\$6.6 million to repair our **walls, lighting, security and handicapped access**

\$1.4 million to improve **technology**

\$6 million to create **state-mandated middle school programs**

As the calendar turns to 2015, we look forward sharing to our exciting plans to upgrade and renovate our labs and facilities.
