**PRESIDENT'S MESSAGE**

Wow two summers in a row and the tribe is within striking distance of first place. Again, if I had been told that in March I would be ecstatic. But just like last year there is a lot of baseball yet to be played. Let's hope it goes well into September this year. As for the Chamber of Commerce there is still a lot of summer left and lot to be done.

For example, our golf outing is scheduled for July 12<sup>th</sup> at Coppertop golf course. Every year we all have a wonderful time so get your foursome together and join us. This year promises to be just as much fun. Contact Valerie Thompson and she will be happy to get you signed up.

I would like to again thank Brooklyn Schools Superintendent, Cynthia Walker, for giving her State of the Schools address to our membership this past June. Once again it is impressive to see the overall improvement of the Brooklyn schools and the path they are taking to be success-

ful. This luncheon was also an opportunity to recognize the three local students who were awarded Chamber scholarships. They are Sarah Giachetti, St. Joseph Academy; Katlyn Kovacs, James Ford Rhodes High School; and Michael Mina, Brooklyn High School. All three of these very successful students plan on furthering their education in college. It makes the Chamber proud to be able to grant them these funds to help pay for the high costs of their education.

Over the next month be sure to look for Chamber notices for our 1<sup>st</sup> Annual Picnic in the Park. This family picnic is scheduled for Saturday August 18<sup>th</sup> behind City Hall at Memorial Park. All Brooklyn residents are invited for free with several activities being planned. Kickball and corn hole tournaments will be held, as well as a balloon artist and children's corner. Funkology will be playing from 5-8pm. Contact Valerie if you are inter-

ested in volunteering or being a sponsor. It should be a fun day for everyone.

Thanks again to Mayor Balbier for allowing the Chamber of Commerce to speak at his Breakfast for Business this past June 28<sup>th</sup>. Mayor Balbier has been a big supporter of the Chamber of Commerce and he is well aware of its' importance to the community.

Lastly, I again want to emphasize that Brooklyn, Ohio is a wonderful community and a great place to live, raise a family, and work in. As a representative of the business community we remain dedicated to this fine city and we appreciate your continued support.

I hope you are having a great summer and I hope to see you soon at one of our upcoming events.

Doug Hogan

### Polaris Culinary Team Takes Third Place Honors at National Competition

Two Polaris Chef Training teams recently competed in the 2012 National ProStart Invitational Culinary and Restaurant Management Competitions in Baltimore, Maryland.

Polaris placed third in the Culinary Team event, the highest Polaris has ever placed at the national competition. The Polaris team had 60 minutes to prepare a three course meal to a panel of certified chefs and exhibit comprehensive skills in creativity, communication, teamwork, organization, time management, skill level, safety and sanitation. The students were awarded \$275,000 in scholarships to several renowned culinary schools.

Polaris also competed in the Restaurant Management event and placed eleventh in the nation. The students had to present an original restaurant concept to judges that demonstrated knowledge of the operation and financial success of a food service establishment.

**Both teams were honored by Governor Kasich and the Ohio House of Representatives for their success at the state and national competitions.**

### Parma Hospital offers Driving Assessments for Older Adults

Older drivers and their families have a new advocate for evaluating driver safety skills.

Parma Hospital's ElderCenter now offers Beyond Driving with Dignity, a valuable service to the older population that is a program of Keeping Us Safe, a national organization founded by a retired Ohio State Highway Patrolman to keep older drivers safe on the roads. Lisa Profio, a coordinator at Parma Hospital's ElderCenter, has been professionally certified to assess drivers through Beyond Driving with Dignity. An LPN with 36 years of experience, primarily working with older adults, she assists people every day in finding constructive and rewarding connections and bolstering their skills. At ElderCenter's Club program, Profio leads her participants with early stage dementia or Alzheimer's disease in memory enhancement, civic projects, exercise and socialization.

"The driver makes the decision at the end of our session based on how they do with all the tools and exercises," Profio says. "The outcome is either that they drive, perhaps with restrictions such as no nighttime driving, or they retire from driving. In the end, it's their choice."

The program costs \$250 for the assessment, which includes a workbook and resources to keep. For more information or to register, call 440-743-2777.
