We swung the Golf Clubs and tossed the Corn Hole Bags and enjoyed every minute of it!

The combined Chamber Golf Outing at Cherokee Hills was a real success for our Chamber, and we truly appreciated the sponsorships and participating golfers by our loyal members to make that event a success. Our annual Picnic in the Park was well attended, the sponsorships were amazing, plus the volunteers and the raffle baskets coupled with the pedal car raffle helped raise funds for our newest "give back to the members" program of the Chamber.

Hire An Intern - The Chamber is very fortunate to have such generous members, and for that, the board has voted to launch a new program for the business community: **Hire An Intern**. This program will meld our community businesses with students in Brooklyn who are presently attending high school, vocational school, or college. The Chamber is offering to offset a portion of costs associated with hiring an intern. The disciplines vary according to the needs of our businesses: finance, sales, construction trades, IT, hospitality management, etc. *Look for more information on this program.*

Upcoming!

September 10th Luncheon - Join us as several of our member banks, (Dollar Bank, Huntington Bank, Key-Bank, and PNC) will be on hand to present programs that they offer to small businesses. The luncheon is being held at Ridge Manor Banquet Center, located at 4630 Ridge Rd.

Our **monthly luncheon series** is launching again in September at the Ridge Manor Banquet Center focused on finance. Our local banking members agreed to hold a "Banking Forum." In October, our newest board member, Mark Gleichauf, the Superintendent of the Brooklyn City School District, will update us on the new campus. In November, we will have our Holiday Social from 4-6 p.m. for all members. Come share some "cheer" with us!! December lunch will be hosted by the Polaris Culinary Academy – Polaris' students win top awards in Statewide coveted Culinary Arts competitions.

We welcome our newest member: Keystone Tailored Manufacturing, LLC. Keystone manufacturers the Hart Schaffner Marx brand men's suits, and will have a retail outlet store located on Tiedeman Road at the plant.

Our success is only achieved through its Chamber members.

4th Annual Picnic In The Park Growing!

We would like to thank everyone who supported Picnic in the Park, sponsored by Dollar Bank and Hampton Inn, on Saturday, August 15th. The event was a huge success with beautiful weather and a larger attendance than last year! The event raised almost \$1,100 for the Chamber and its members. New to the event this year was the addition of food trucks! The Brunch Box provided a wide variety of food at very reasonable prices, while "Snowie" provided snow cones with an array of flavors. We had great entertainment by Fast Lane Cleveland, an Eagle's tribute band from 6-8pm. During the day, DJ Adam with Campana Entertainment played hits from yesterday and today.

The children's area included a Home Depot building station, along with a bounce house and games sponsored by Nick Maroulis and Campus Life and Brooklyn Reformed Church. Thanks to the generosity of Campus Life and Home Depot, all children's activities were free. The City of Brooklyn graciously brought fire trucks, ambulances, and a police car for children to explore. Cleveland Metroparks NatureTracks was on hand with their mobile classroom. U.S. Shuai Chiao Kung Fu Academy West provided an amazing demo by their talented students. Corn hole boards were available for guests to play on. The raffle baskets and 50/50 raffle were a huge success, and at the end of the night, we pulled all 7 pedal car winners! Anthem Insurance, Buffalo Wild Wings, Friends of the Brooklyn Library, Gold's Gym, Horizon Education Centers, and University Hospital/Parma Community General were all great additions this year as exhibitors.

We would like to thank the City of Brooklyn, especially Mayor Richard Balbier, Service Director John Verba, and Chris Hovan for all their help with this year's event. We would also like to thank EmbroidMe for donating T-shirts for all of our volunteers. Without our sponsors, donors, and volunteers, the event would never have been such a huge success! We hope you will join us next year! [Click here for pictures...](#)

Brooklyn Cares Update

The Chamber teams up with the Brooklyn Cares program...Ferrous Metals donates \$250!

Staff from the Brooklyn City Schools initiated a program several years ago called "Brooklyn Cares" to help Brooklyn families in need. They sponsor a program called "Adopt a Bookbag" where families in need receive school supplies in August. During the holidays, they also sponsor a program called "Adopt a Family" where families receive support and help with gifts and food. The Brooklyn Chamber of Commerce is pleased to announce that we have joined forces with Brooklyn Cares to help make donating to the program easier. If you or your organization is interested in donating, please contact Suzy Marquis at suzy.marquis@brooklyn.k12.oh.us or Valerie Thompson at exec@brooklynohiochamber.org for additional information. **We would like to sincerely thank the following members for their very generous donations to the program: Ferrous Metal Processing, Ridge Park Square, and U.S. Shuai Chiao Kung Fu Academy!** Helping Brooklyn families in need is truly a community effort! The program is successful because of the generous donations of local businesses. Please consider being a part of this wonderful program!

Pedal Cars Remain Hot Item

Another successful year for the pedal car fundraiser!

We are happy to report that we had our 6th successful Pedal Car fundraiser this year! This fundraiser has definitely received a lot of attention over the years for its uniqueness and creativity of the cars! We had 7 pedal cars that were raffled off at Picnic in the Park on August 15th. Special thanks to Mike Kissel with Memphis Kiddie Park and Frank Orti with Mars Trucking for all of their help with the planning and coordination of this year's fundraiser. Think Chamber

THE NORTHERN OHIO AREA CHAMBERS OF COMMERCE GIVE MEMBERS GROUP BUYING POWER AND ENCOURAGE BUYING LOCAL.

BY JENNIFER KEIRN

WHEN COMPANIES JOIN

their local chamber of commerce and those chambers join the Northern Ohio Area Chambers of Commerce, everyone benefits — employees, companies and communities alike.

More than 120 local chambers with almost 30,000 members throughout Ohio are members of NOACC, receiving discounts and services. The NOACC chamber member can get savings on health, life, dental, vision and short- and long-term insurance through Anthem Blue Cross and Blue Shield — which is still one of the top reasons a business joins their local chamber.

But other programs offer significant savings on worker's compensation group rating programs, FedEx services, office supplies and the newest program

of electric and gas savings for businesses too.

It's the power of group purchasing, says NOACC board chair Tony Gallo, who is also the president of the Lorain County Chamber. "A local chamber can offer better savings and more choices because of these programs," he says. "The money a business saves through their chamber membership helps create jobs and raises profits, and it also improves the general economy of their local community."

In April 2014, NOACC introduced Save Local Now, which makes digital marketing easy for small business owners, allowing them to control their online footprint with their own digital platform.

Built to maximize exposure and increase sales, the Save Local

Now platform includes content creation and publishing, email marketing, search engine optimization and social sharing.

"We are truly excited," says Gallo. "Save Local Now makes it really easy for our businesses to connect with local consumers — reaching both their existing and a new customer base."

NOACC helped to fund the cost of Save Local Now, so local businesses receive extensive online exposure at no cost. Since launching the service, its chamber members have seen much success.

"Save Local Now has been a great tool for members to utilize and promote their businesses quickly and easily," says Katherine Kisicki, office manager of the Chesterland Chamber of Commerce. "As a chamber of NOACC, it is truly great to be able to offer unlimited deal posts, SEO and all the perks of digital marketing to our members."

Save Local Now, which serves more than 55,000 businesses in 26 states from its home base in Ohio, works exclusively with chambers to market member

businesses. The SLN team offers around-the-clock support and complimentary marketing guidance from its marketing team. Designed to give businesses complete control of the content created and shared online, Save Local Now empowers members to grow their business at no cost and with very little effort.

Vicky Hawke, NOACC's executive director, says she hopes that businesses will benefit not only by offering deals and promotions, but also from the public exposure received just from being online.

"Everybody knows you have to be online," she says. "And [Save Local Now] is just another way for businesses to reach their customers. It's the best thing I've seen as far as an online platform. We're pleased to be able to offer this as a chamber member benefit."

NOACC helps chambers with these programs so they can focus on what they do best — create networking and marketing opportunities for their members. They are the economic drivers of their communities.

Whether they are run by a professionally trained staff or highly motivated volunteers, these chambers are the lifeblood of their communities. NOACC's goal is to help them succeed.

Celebrating its 20th anniversary this year, NOACC has no plans of slowing its pace.

"This is practical economic development," says Gallo. "Joining a local chamber, getting active helps the community and the region."
