

March 2012 Newsletter

PRESIDENT'S MESSAGE

It's March and springtime is almost here. The Indians are playing ball in Arizona and the Browns are getting ready for this years draft. I hope they have the same success as the Cavs did with their draft choices. Winter hasn't been that bad, in fact if all our winters were like this, I might not say anything bad about them. Now let's hope for a wonderful spring in the lovely city of Brooklyn.

As spring and summer approach, the Brooklyn Chamber is getting busy filling out the calendar with warm weather events. Our annual golf outing is being planned as we speak. It is scheduled for Thursday, July 19th at Coppertop of Cherokee Hills. Every year the outing gets better and bigger. Please watch for future updates about this fun event. We are also planning on having our first family day picnic at the park behind City Hall on Saturday, August 18th. This one day spectacular will include music, games and picnic food. It should be fun for the entire family.

This is also the time for our annual pedal car raffle. Like every year last years cars were a big hit and we raised several dollars for the Chamber. Unfortunately, the kits are currently on back order. We will keep you updated and hopefully, we will be able to move forward with this fundraiser.

This year's Taste of Brooklyn was another huge success. It keeps getting more popular with every year. The Brooklyn High School Jazz Band provided the music and the wonderful food was supplied by 9 different vendors. Over 120 people attended this event. We made a record amount of money this year which is dedicated to our scholarship fund. Three deserving area students will benefit from this event. Those who are interested, please see the notice about the scholarships in this newsletter.

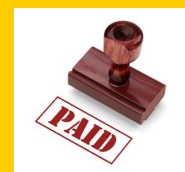

Lastly, I would just like to take a minute and thank everyone who puts so much time and effort in making this Chamber a success. I especially would like to single out our Executive Director Valerie Thompson. She goes beyond the call of duty in organizing and planning all of our activities. She is not only a wonderful person but a real asset to the Chamber and the community of Brooklyn. So this summer when you see her, thank her for all that she does.

See everyone soon, Doug.

Taste Of Brooklyn a Success!

The 6th annual "Taste of Brooklyn and All That Jazz" Fundraiser, which benefited the Brooklyn Chamber of Commerce's Scholarship Fund, took place on Saturday, February 4, 2012. The event was a huge success in raising over \$3,000 for the fund! We had over 120 people in attendance, the most we have ever had!

"Taste of Brooklyn and All That Jazz" took place at Ridge Manor Party Center and featured the Brooklyn High School Jazz Band and the culinary expertise of many local restaurants and businesses. Vincent Close with Jukebox Music D.J. Service provided music when the entertainment was on break. It was a great addition to the evening!

For the 6th year in a row, Sean Sullivan and the Brooklyn High School Jazz Ensemble amazed everyone in attendance with their music and singing. They are truly an amazing group of students! Special thanks go to Don and Sharon Workman for inviting their family and friends to celebrate their wedding anniversary and Don's birthday at our event. I would also like to thank all of the dedicated volunteers who helped in making this event a success: Doug & Cathy Hogan, Ann & Brian Guess, Denise Christescu, Fran & Bob Migliorino, Sam Watkins, Sharon Glagola & Ridge Manor Party Center, Greg Frey, Cynthia & Lee Walker, and Chuck & Ann Germana.

Brooklyn Chamber Celebrates 10th Year Anniversary with a New Logo!!

The Brooklyn Ohio Chamber of Commerce is celebrating their 10th anniversary with a new logo designed by Polaris Career Center student Elanna Cornell. The new logo was chosen from over 40 designs submitted by art and multimedia students from Brooklyn High School and Polaris Career Center. The Brooklyn Chamber Board of Directors felt that tapping into student talent to create the new logo would be an exciting way to involve students in a real world work experience and create some friendly competition. To add incentive and make the project as authentic as possible a prize of \$50.00 was offered for the winning logo design. Chamber members visited each participating class to provide guidelines and insight for the project encouraging students to research the Brooklyn community and become familiar with the Brooklyn Ohio Chamber prior to creating their designs.

Elanna, a junior in the Interactive Multimedia program at Polaris states, "Our class gets lots of logo requests from different groups and organizations. I always give it a try - if you just take the time to play around with your designs you might come up with something good!" Elanna has always been an aspiring artist and can't remember a time when she was not drawing something. She plans to continue her education after high school and would like to apply her artistic talents toward a career in animation. Elanna lives in Fairview Park with her parents and younger brother and when she is not busy creating works of art she spends her time working at her part time job or playing the viola in her high school orchestra.

Brooklyn Students Need Help

Brooklyn Post Prom is our chance as a community to back up something we always tell our kids – you can have a great time without the pressure of alcohol and drugs. By offering food, music and activities in a safe environment, our kids are willing to accept adult supervision as part of the package.

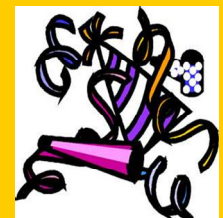

The success of this event is entirely dependent on donations from businesses, parents, friends and many others. Monetary support is used to pay expenses such as food, prizes and all rentals.

The Class of 2012 is struggling to raise enough funds to hold a post prom this year, so a few parents stepped in. We are asking for any type of donations for giveaways, raffles, promo items etc. for a fundraiser we are planning in April. We are also accepting donations for food, drinks, and prizes for the actual Post Prom event which will be held May 26, 2012.

If you have additional questions, please contact one of the following:
Dawn Salcedo 216-233-2645 or Candace Asbury at 216-832-2899
Or email us at brooklynpostprom2012@hotmail.com

Thank your consideration and support to the Brooklyn High School Class of 2012.

(This is not a Brooklyn High School event this is planned and organized by parents)

STATE OF THE CITY

On February 9th, our monthly luncheon was held at Carrabba's. Mayor Richard Balbier was our speaker. He gave his annual State of the City address to those in attendance. Some of the items that Mayor Balbier discussed were the following:

- The City has gone from spending \$90,000 a month more than it was taking in to taking in more than \$100,000 a month then it's spending. This has occurred in 2 ½ years during a recession.
- General Fund went from \$30,000 to over 6 million in 2 ½ years.
- The City's 3 biggest eye sores have been taken care of: Huntington Bank at Ridge and Memphis; Old Library on Ridge will become a Day Care; Unfinished Church on Memphis went into foreclosure and will now become a place for batting cages.

The Chamber would like to thank Mayor Balbier for taking time out of this busy schedule to speak to our membership. We would also like to thank the Mayor and the City of Brooklyn for all that they do to support the Brooklyn Chamber of Commerce!
