PRESIDENT'S MESSAGE

Opening Day came and went. Baseball season has started and with it warmer weather. We have a lot to be grateful for, because at the time of this writing, the Tribe is in first place. Warmer weather signifies that it's time to go outside and enjoy what God has given us. The Chamber now goes outside with a number of different projects and programs. However, before we discuss that we must thank our hosts for our spring luncheons and after-

We have to thank Polaris and the entire staff for their annual presentation and lunch. The young men and women who attend this school are given a wonderful experience and educa-

tion. We also have to thank Ken Grodek for hosting an afterhours at his new EmbroidMe location. Everyone who attended was treated with quite a display of how things are embroidered, and also great food and gifts. The Westside Automotive Group also needs to be recognized for their afterhours that featured several area Chambers of Commerce. This was their second time for sponsoring this event.

As for our annual Friday Night Cruises, they have unfortunately, been cancelled. However, we are still moving forward with our pedal car fundraiser and will be selling tickets to win one of the cars. This year we have 10 cars

and sponsors, and they will be better than ever. Contact Valerie Thompson for tickets.

Our Golf outing is being planned for July 28th at Cherokee Hills in Valley City. Please look for our registration forms in this newsletter and in future mailings. Over the past 3 years this has been a wonderful day enjoyed by many from all over the Brooklyn area.

And lastly, our Fall Fest at Kiddie Park is scheduled for September 23rd, 24th, and 25th. I hope to see everyone there and if the Indians are still in first place, I'll buy you a beer.

Doug Hogan

LUNCHEON

The luncheon on **Thursday May 12th** will be held at the Brooklyn Historical Society, located at 4442 Ridge Road. Those in attendance will enjoy a great lunch provided by Ridge Manor Party Center, followed by a presentation on some new and exciting items the Brooklyn Historical Society now have at the museum. And of course, there will be time to tour the museum and learn more about the history of Brooklyn.

PEDAL CAR FUNDRAISER

The Brooklyn Chamber of Commerce will once again, be participating in the Pedal Car Fundraiser. Unfortunately, the Friday Night Cruises at Ridge Park Square were cancelled. We will be using our upcoming Chamber events to showcase this year's pedal cars. During our Fall Fest event on September 23rd, 24th, and 25th, we will have a designated area to display the pedal cars and sell raffle tickets. We have 10 pedal cars to win. Raffle tickets are \$1 a piece or 6 for \$5. The drawing will be held at 5pm on Sunday September 25th at Fall Fest. You do not need to be present to win. If you are interested in purchasing raffle tickets, please contact Valerie Thompson.

We would like to thank the following organizations who have purchased a pedal car for our fundraiser. Once the cars have been put together and designed, we will include pictures on our website and in upcoming newsletters.

Teacher Grant Awarded

The Brooklyn Chamber of Commerce offered a \$500 grant opportunity for any teacher in the Brooklyn City School District this spring. The 2011 Educator Grant was a testimony to the fact that the Brooklyn Chamber understands the financial constraints of many in the educational field and chose to offer an avenue of financial support for a teacher or a group of teachers. The teachers were required to write a lesson idea which outlined a need, a purpose, a solution, and a product which would enable their students to value a project-based unit of instruction with real-life application. In 1,000 words or less the teach-

ers described an idea with details, how it corresponded to the State Standards, the needed resources and how it provided an authentic learning experience. Eight teachers applied for the grant.

As the recipients of the grant, the second grade teachers identified the five indicators in the second grade that deal with the field of economics. Students would be required to read books about producers, consumers, goods, services, jobs, money and manufacturing at their reading level while creating flowcharts of necessary resources. Eventually the students would participate in a

classroom factory project. Each of the stations in the factory would be an ingredient in a "Bee Ready Bag." Items such as flashcards, puzzles for word lists, and a memory book to prepare for third grade would be in the bag. At the conclusion of the factory project, students would use their "income" from their factory job to buy the finished bag.

Doug Hogan will be presenting the check to the teachers at the regularly scheduled Brooklyn Board of Education meeting on May 17 at 6:30 pm in Room 173 of the high school. Please join us!

The Brooklyn Animal Shelter (BAS), located at 8300 Memphis Ave, has been organized for the purpose of raising funds to promote the following objectives:

To encourage responsible pet ownership by educating the public on the importance of spaying or neutering to control animal over-population.

To increase public awareness of the proper care of companion animals.

To assist in providing a safe, clean, comfortable environment for lost abandoned and stray animals.

To reunite owners and lost pets.

To promote adoption of homeless animals.

General Meetings are held the first Monday of the month at the new Brooklyn Fire Station. Volunteers run the shelter with the Animal Control Officer from the City of Brooklyn. The Brooklyn Animal Shelter has the following fundraisers scheduled.

June 11th Zoo Adopt-a-thon at the Cleveland Metroparks Zoo

Upcoming Garage Sales:

May 14 at Trinity United Church of Christ

July 9th at Gloria D. Church

October 1st at the Brooklyn senior center in conjunction with City garage sale

Nautica Poker fundraisers, dates TBD

December 3rd Holiday Bazaar at Brooklyn High School

For more information please visit our website....

RELAY FOR LIFE - JUNE 24th

Join us at the Relay For Life of Brooklyn event this summer, a party with a purpose, where your American Cancer Society is helping to *celebrate, remember, & fight back*.

Relay For Life is our signature fund-raising event, where people from all different aspects of the community can come together to fight back against cancer. What makes this event so great is that anyone and everyone are able to participate! Teams usually consist of 10-15 people from groups of families, friends, schools, churches, businesses, and other organizations with the goal of each participant being to raise at least \$100. To make it a relay, one member of the team must be walking the track at all times.

We *celebrate* at the Relay

For Life of Brooklyn by having our cancer survivors, our reasons for why we do what we do, take a ceremonial first lap after the opening remarks. They are then treated to a Survivor Reception, typically donated by a local restaurant. That is only the beginning though, as a fun night of music, contests, karaoke, team fund-raisers, and a Midnight Meal lies ahead.

Later in the evening we *remember*, as our Luminaria are set lining the track, and are illuminated during a ceremony as we honor our cancer survivors, remember those that we have lost, and support those still battling this disease. The Luminaria ceremony is a significant highlight of the event as it gives participants a chance to reflect on our common purpose of wanting to save lives by finding a cure.

Remember, cancer never sleeps. This is an 18 hour, overnight event, so our teams do bring tents, food, games, and a positive attitude to get them through until morning when we have our *Fight Back* ceremony.

Please consider joining us this year at the **Brooklyn Athletic complex; the event goes from 6 p.m., June 24th- Noon, June 25th**. If you would like any information on how to become a sponsor or start a team, please contact your American Cancer Society staff partner, Amanda Uterhark at Amanda.Uterhark@cancer.org or by calling 1.888.227.6446 ext. 1207.

There is no finish line until we find a cure!

LOCAL COMPANY WINS STATE HONORS

The Sausage Shoppe, a local meat processor and retailer, won two Awards at the recent Ohio Association of Meat Processors (OAMP) Convention in Columbus, OH on March 26, 2011.

Reserve Grand Champion is the award The Sausage Shoppe received for its Restructured Jerky, with an entry of their original recipe Beef Jerky. The jerky is judged based on external appearance, internal appearance & texture, aroma, flavor and texture & mouthfeel. The beef jerky received high marks for

uniformity of color. This is the seventeenth state or national award for this product.

The Sausage Shoppe placed First in the Innovative Products class. Spicy Cheddar Kielbasi was submitted for this category. This class is judged based on appearance & presentation, feasibility to manufacture, aroma, flavor & texture, and being an innovative idea within the meat industry. Spicy Cheddar Kielbasi is a combination of lean beef and pork, Italian spices, and a blend of fine and coarse shredded cheddar

cheeses. It is fully cooked and smoked.

The convention was attended by Al Heinle, who is on the OAMP Board of Directors. He attended sessions on social media marketing, workers comp, workplace safety, and industry trends. A hands-on demonstration discussing loaf, jerky, and summer sausage recipes and processing techniques was also attended by Al.

More information on The Sausage Shoppe is available at www.sausageshoppe.com.

Polaris Chefs Win Top State Honors

Two Polaris Chef Training teams recently competed in the ProStart Culinary and Restaurant Management Competitions in Columbus, Ohio. This annual contest, which is presented by the National Restaurant Association Educational Foundation (NRAEF), allows students from programs around the state to showcase their culinary and academic talents.

For the second straight year, Polaris placed first in the Culinary Team event and will represent Polaris and the state at the national competition in Overland Park, Kansas on April 29 through May 1, 2011. During the state-level challenge, the Polaris team had to present a three course meal to a panel of certified chefs and exhibit comprehensive skills in communication, teamwork, organiza-

tion, safety and sanitation. They only had one hour and two electrical hot plates to complete the task. No ovens or open flames were permitted. The championship team consisted of Douglas Ferrell, senior, Olmsted Falls High School; **Domenic Hrezik, senior, Brooklyn High School;** Shannon Martincic, senior, Berea High School; Ian McCaffrey, junior, North Olmsted High School; and Austin Zavodny, senior, Fairview High School. As the first place team, the students were awarded over \$108,000 each in college scholarships to numerous renowned culinary schools.

Polaris also had a team compete in the Restaurant Management event. In this competition, each team had to present a restaurant concept from

the ground up, including a business plan, marketing concepts, a verbal presentation and visual display. Each team also had to answer questions from an expert panel. The Polaris junior team took home third place honors and were awarded \$10,000 each in college scholarships.

In all, the Polaris students received scholarship awards totaling over \$580,000 from the following culinary schools: Baltimore International College, Indiana University of Pennsylvania, Johnson & Wales University, the Culinary Institute of America, the National Institute for Culinary Arts, the Chef's Academy, Columbus Culinary, International Culinary Schools and Sullivan University.

Polaris Students Dominate Regional

Thirty-five students from Polaris Career Center recently competed in the SkillsUSA Regional Competition at Lorain County JVS in Oberlin, Ohio. Each year, this event gives students from Northeast Ohio the opportunity to display their skills in specific career-technical training areas. This year, hundreds of students from schools around

the region competed in over 25 different skill contests. Students who finished in the top three in each event will represent Polaris and the North Central Region at the State SkillsUSA Competition in Columbus on April 29-30. There were a total of 26 Polaris winners and state qualifiers. These students will be joined by 24 "straight-to-state" competitors. In all,

50 students from Polaris will be competing at the state level, the highest total in recent memory. Brooklyn High School senior, Andrew Biondo, placed 3rd in the "Team Works (team of 4)" contest. Andrew currently participates in the Construction Trades program at Polaris.

BROOKLYN
City Schools

A New Mandate for Brooklyn Schools

The old Chinese proverb or curse, one that has a mixed message, “May you live in interesting times”, is so true with recent passage of SB5, and some of the other bills that have recently been passed or in the process of acceptance by the Ohio Legislature. As you might be aware, the budget proposal for school funding for the next biennium (HB 153) will contain an accelerated schedule for phasing out replacement funds that are currently being used to offset the (TPP), or Tangible Personal Property taxes being lost, along with the (TUPP) tangible personal property tax revenue being lost.

Historically, school districts received about 25.4% of the kilowatt-hour revenues, while the Ohio General fund receives about 63% of that same total revenue. Under the new bill, the General Fund will receive about 89% of the revenue, while the school districts are scheduled to receive about 8% in 2013.

In addition to these revenue losses by school districts, we will see a reduction in commercial activity tax revenue (CAT), which accounts for 70% of the funding for the SDPTRF, and instead, 100% of CAT funds will be phased and redirected to the General Revenue Fund over time. Since Brooklyn is considered a “wealthy” School District by state standards of valuation, we stand to lose the most, along with many School Districts here in Cuyahoga county and beyond. The offsets provided still show us losing over 2.3 million dollars in the next two fiscal years.

We are in a new age that challenges the ability for administrators and Boards to shuffle funds around, especially when 80% or more is spent on payroll and benefits. There is some relief provided by SB 5 to retool how we spend money on these line items, but in reality it is a severe cut in spending. Because of our current state of economy here in Brooklyn and surrounding communities, it would not be prudent at this time to go back to the voters to ask for an increase, nor ask them in spite of immediate need, to pass a Bond Issue for our new Middle school at this time. In fact, our Board and our administration is looking at a new paradigm shift on how we educate our students using technologies, and finding new opportunities to be competitive in school education delivery.

This is not your mother’s schoolhouse will ring true in the next few years as we strive to deal with the immediate impact of funding reduction; but also see opportunities to blow up the “traditional” and place our students in an environment that will prepare them for the future, together with a staff that is thinking outside the box on how best to teach and to learn. As someone who has been given the keys to our children’s door of learning, I ask for your patience and continued support. We certainly live in interesting times!

Richard Cyngier
Brooklyn School Board Member

New Arrival...Congrats!

Heather and Ian Miller welcomed their first baby on March 17th! Baby boy Eliot Bryce weighed 6lb. 11 oz and was 21 inches long. Heather was the Chamber’s 2010 Member of the Year recipient and is the Vice Principal at Brooklyn Middle School. She is a very active member and much of our success is due to the timeless hours Heather has given to our various events. Congratulations to the Miller family!

CHAMBER TIDBITS

Mark your calendars for Fall Fest on September 23, 24, and 25th!

Believe it or not, September will be here before you know it! That is why you need to mark your calendars now and plan on joining us for this fun, family friendly event! Fall Fest is scheduled for **Friday September 23rd 4pm-9pm, Saturday September 24th 12noon-9pm, and Sunday September 25th 12noon-6pm.** The event will again be held in the parking lot of Memphis Kiddie Park, located at 10340 Memphis Ave.

The event will include LIVE entertainment, food vendors, exhibitors, games, and a beer garden. We will also be showcasing our pedal cars. Be sure to buy some raffle tickets for a chance to win one!

Sunday, September 25th, is **Family Fun Day** and will include even more activities centered around children and families, including clowns, face painting, and a Home Depot building station.

All day ride bracelets for Kiddie Park will be available for \$15.50. The cost to enter the food and beer gardens will be \$2, 12 and under are free. All Chamber members and their employees will also be free!

We are currently looking for sponsors for the event. This is a great way to advertise your business, while supporting the Brooklyn Chamber of Commerce and the surrounding community. Look for information in the mail soon! In the meantime, check out the sponsorship information included in this newsletter. Please contact Valerie Thompson if you need more information or are interested in volunteering the weekend of the event.

On **Thursday June 9th**, Superintendent Cynthia Walker will give the annual State of the Schools address. The 2011 scholarship recipients will also be in attendance to receive their awards. Networking and registration for all of our luncheons begin at 11:30am and lunch will be served at 12noon. Hope to see you there!

Please note that there are no scheduled luncheons for July or August.

Dollar Bank mutually inspired since 1855. We have remained proudly independent of Wall Street and continue to celebrate our independence with our ongoing mission: to focus solely on the customer and the region we serve. We are a full service bank ready to meet the needs of our community. View our website, www.dollarbank.com or contact the local branch office at (216) 749-4725. Dollar Bank is located at 4730 Ridge Road, the heart of Ridge Park Square in Brooklyn.

2nd Annual Fall Fest Sponsorship Opportunities

Dear Members,

As most of you know, the Brooklyn Chamber of Commerce is hosting its 2nd annual Fall Fest on Friday, September 23rd, Saturday, September 24th and Sunday, September 25th at Memphis Kiddie Park. It is going to be a fun, family friendly event with food, entertainment, and beverages. However, we need your help to make Fall Fest a success!

In order to help defray the cost of planning an event of this magnitude, we are looking for sponsors. We have 3 different levels listed below.

GOLD SPONSOR - \$1000 – Name/logo on the TWO outdoor billboards we are purchasing. These billboards will be put up 2 weeks before the event. Name/logo on 5x2 banner and all printed material and mailings (including, but not limited to, website, flyers, newspaper ads, etc.). Plus special recognition throughout the 2 day event!

SILVER SPONSOR - \$500 – Name/logo on 3x2 banner; recognition at Chamber events, on event emails, and on Chamber website. Plus special recognition throughout the 2 day event!

BRONZE SPONSOR - \$250 – Company name on Sponsor Sign. Plus special recognition throughout the 2 day event!

If you or your company are able to help out in any way, please let us know. This is a great way to advertise your business and support the Brooklyn community! The banners will be displayed throughout the event.

Thank you again for your support and we look forward to seeing you at our 2nd annual Fall Fest! If you have any questions, please do not hesitate to contact us at 216-288-5484 or vmthompson@sbcglobal.net!

Thank you,

2011 Fall Fest Committee
